have brought back many a man and woman from the verge of the grave-Have saved many a year of suffering and given a new lease of life to thousands of kidney victims. They have done it right here in Wichita hundreds of times-Wichita citizens say

Chas. T. Rowles, of 513 North Wichita street, says: "When a man has been given up by more than one physician, all of whom pronounce his complaint Bright's disease, when he has been taught to think both from the diagnosis and from the symptoms that he undoubtedly has this dreaded malady, he naturally very enthusiastically endorses the means he at last employs to at least give him relief if not an actual cure. Advised by a gentleman who was in Wichits in the interest of Doan's Kidney Pills to take a course of the treatment of that remedy my father used a few boxes, getting them from the Moore Drug company. The benefits received are so pronounced that he very forcibly tells all his friends and acquaintances that Down's Kidney Pills undoubtedly stopped his attack of Bright's disease. Results tell, and if everyone in Wichita who uses Doan's Kidney Pills obtains as marked effects as my father, kidney complaint in any of its various
